

Dronacharya Exam 2024

For Students Presently in Class V, VI, VII, VIII, IX, X & XI

Proctored Online Test – Guidelines for Students

A. Login Instructions

- a. The URL (class-wise) for Mock Test of **Dronacharya Exam 2024**, to be conducted in Proctored Online Mode are as given below:

Students Presently in	Test URL
Class V, VI, VII, VIII, IX, X & XI	https://proctoredtest.fiiitjee.com/LOGIN-2/fiiitjee.jsp

- b. Login ID & Password will be shared separately on your registered Email ID and registered Mobile Number. You can also fetch your login id and password through <http://proctoredpassword.fiiitjee.com>
- c. Please note that URL and your Login ID & Password will remain the same for Mock Test as well as Dronacharya Exam.

B. Mock Test Dates & Time

- a. **Mock Test** – To get a hands-on experience of the test before the Real Dronacharya Exam, it is important that you must Practice **Free Proctored Online Mock Test**.

Dronacharya Exam	Mock Test Dates	Mock Test Timings	Remarks
28-Dec-2024	24-Dec-2024 26-Dec -2024	9:00 am to 9:00 pm	<i>To get hands-on experience of the test before the Real FIITJEE Admission Test, it is important that you must Practice Free Proctored Online Mock Test.</i>
	27-Dec -2024	9:00 am to 4:00 pm	<i>You have 2 attempts to practice Mock Test & each Mock Test will be of 45 minutes.</i>

Note: Mock Test will NOT be held on 25th December 2024

- b. **For Dronacharya Exam 2024:** You must log in 30 minutes before the Test starts. You will be allowed to log in up to 30 minutes after the start of test, beyond which you cannot login.

c. **Test Schedule & Pattern:**

For Students presently in Class V, VI & VII (going to Class VI, VII & VIII in 2025)		
Compulsory Papers / Sections for Admission & Scholarships		
<p>Paper 1 : Section I Mental Ability - Long term goal is to identify the potential (hidden & current manifested) for NTSE (Duration: 45 Minutes)</p> <p>Paper 1 : Section II Mental Ability - Long term goal is to identify the potential (hidden & current manifested) for Higher Order Thinking Skills (Duration: 60 Minutes)</p> <p>This will test your skills required at this stage to scale tougher competitive exams at 10+2 level in future.</p>	<p>This paper will be based on situations & comprehensions.</p> <p>No prior knowledge is needed to excel in this paper.</p>	<p>28th Dec 2024 (Online Proctored) 9:15 am - 11:00 am</p>
<p>Paper 2 : Section I Science (Physics, Chemistry & Biology) – NTSE (Duration: 45 Minutes)</p> <p>Paper 2 : Section II Mathematics – NTSE (Duration: 45 Minutes)</p> <p>This paper will evaluate current potential of students for NTSE while judging basic fundamentals taught in school</p>	<p>The Test will be on NTSE exam pattern but moderated to class level in goal appropriate manner.</p>	<p>28th Dec 2024 (Online Proctored) 11:15 am - 12:45 pm</p>
<p>A 15-minute break will be given between paper 1 & 2</p>		

Test Schedule & Pattern:

For Students presently in Class VIII & IX (going to Class IX & X in 2025)

Compulsory Papers / Sections for Admission & Scholarships

<p>Paper 1 (1a + 1b)</p> <p>Paper 1a : Section I I.Q. for NTSE (Mental Ability) (Duration: 20 Minutes)</p> <p>Paper 1a : Section II Science (Physics, Chemistry & Biology) for NTSE (Duration: 30 Minutes)</p> <p>Paper 1a : Section III Mathematics for NTSE (Duration: 20 Minutes)</p> <p>Paper 1b : Section IV Physics, Chemistry & Mathematics for JEE Main (Duration: 30 Minutes)</p>	<p>This paper through various sections will evaluate current manifested & hidden potential of students for NTSE.</p> <p>JEE Main section will be on the actual exam pattern including comprehension based and will involve advanced treatment of topics for the Scholarship cum Admission Test that is expected from a future JEE Main successful candidate at this stage.</p>	<p>28th Dec 2024 (Online Proctored) 9:15 am - 10:55 am</p>
<p>Paper 2 : Section I Higher Order Thinking Skills for JEE Advanced (Duration: 45 Minutes)</p> <p>Paper 2 : Section II Physics, Chemistry & Mathematics for JEE Advanced (Duration: 60 Minutes)</p>	<p>Higher Order Thinking Skills paper will test skills required at this stage to scale tougher competitive exams at 10+2 level in future.</p> <p>JEE Advanced sections will be on the actual exam pattern including comprehension based and will involve advanced treatment of topics for the Scholarship cum Admission Test that is expected from a future JEE Advanced successful candidate at this stage.</p>	<p>28th Dec 2024 (Online Proctored) 11:10 am - 12:55 pm</p>

A 15-minute break will be given between paper 1 & 2.

Test Schedule & Pattern:

For Students presently in Class X & XI (going to Class XI & XII in 2025)		
Compulsory Papers / Sections for Admission & Scholarships		
<p>Paper 1 : Section I Physics, Chemistry & Mathematics for Other Engineering Entrance Exams (Duration: 30 Minutes)</p> <p>Paper 1 : Section II Physics, Chemistry & Mathematics for JEE Main (Duration: 45 Minutes)</p>	<p>In section I, students will receive near perfect evaluation as per their current potential irrespective of any pattern witnessed in State & National Level Engineering Entrance Exams. The section's level of difficulty will be strategically designed (based on Physics, Chemistry & Maths) to cater to all Engineering Entrance Exams other than JEE Main & Advanced.</p> <p>Section II will be on actual exam JEE Main pattern, and will also include comprehension-based questions, that is related to class topics & concepts but dealt with slightly higher as we expect from a future JEE Main Rankers at this stage.</p>	<p>28th Dec 2024 (Online Proctored) 9:15 am - 10:30 am</p>
<p>Paper 2 : Section I Higher Order Thinking Skills for JEE Advanced (Duration: 60 Minutes)</p> <p>Paper 2 : Section II Physics, Chemistry & Mathematics for JEE Advanced (Duration: 75 Minutes)</p>	<p>This section of test will judge raw (hidden) potential for JEE Advanced. The exam paper will be based on situations & comprehensions.</p> <p>No prior knowledge needed to excel in this paper.</p> <p>JEE Advanced section will be on actual exam pattern including comprehension based and will involve advanced treatment of topics for FTRE that is expected from a future JEE Advanced successful candidate at this stage.</p>	<p>28th Dec 2024 (Online Proctored) 10:45 pm - 1:00 pm</p>
A 15-minute break will be given between paper 1 & 2.		

- d. In the event of an internet disruption that prevents you from starting or continuing the test, you will be allowed an additional time of up to 20 minutes to complete the exam. However, please note that the hard stop time for the exam will remain the same for all students, in accordance with the official start and end times of the exam for the respective date and class.

C. Device to be used for appearing in the test

- a. **Desktop/Laptop** -We recommend all students to appear in the test through a Desktop/Laptop with an embedded Camera / separate Web Cam unit. Proctored Online Test has a smoother experience in Desktop/Laptop. Please note that a working embedded Camera / separate Web Cam unit is mandatory. Please note that in case you do not have a Web Camera, you will not be able to take the examination.

- b. **Tab/Mobile Device** - In case students are not able to arrange a Desktop/laptop, then they should appear in the test through Tab/Mobile device. While appearing in the test through the Tab/Mobile device, it is very important to follow the following instructions.
- i. If you have access to WIFI. You should keep your mobile on airplane mode, but WIFI should be on and connected.
 - ii. In case you do not have access to WIFI, and you are planning to appear in the test using Mobile data. Put your phone on **Do Not Disturb** mode which silences calls, messages, and notifications.
 - iii. Tab/Mobile Device should be kept on stand such that the camera of the device should be able to clearly always see your face.
- c. **IPHONE Users** - Students can attempt the Exam on Mobile, Laptop / PC with camera / Webcam having good Internet Connectivity. In certain versions of Apple devices (Mobile / I-Pad / Mac book), there are enhanced security provisions which do not allow the accesses of Camera / Mike and student may not be able to proceed to attempt Exam. Therefore, android mobile may please be preferred for online Exam.

D. System Requirements

- a. **Internet Bandwidth:** The minimum required bandwidth is 1 Mbps of download and upload internet speed on each machine.
- b. **Machine Configuration:** RAM - Minimum 2GB (though 4GB is recommended), Processor Speed- 1.5 Ghz and above. Preferred Operating System – Windows 10.
- c. An embedded Camera / separate Web Cam unit must be available for the test.
- d. Microphones are **mandatory**.
- e. Valid ID proof – Student ID Card/Government ID Card.
- f. If your internet disconnects during submission, please contact the Help centre on the given number and don't close your window.
- g. Make sure that pop-up blocker is disabled on your browser. Any notifications related to antivirus, windows update, email notifications etc. will be counted as navigation.
- h. Candidates taking the test on a mobile phone should make sure that no notifications, messages, calls during assessment as this will be counted as NAVIGATION. After maximum navigation warning, the test will get auto submitted. Putting your phone in **Do Not Disturb** mode is recommended (it silences calls, messages, and notifications).

E. Browser to be used for appearing in the test

- a. **Desktop/Laptop** (Windows) Google Chrome (version 75 or above), Mozilla Firefox (version 70 or above).
- b. **Desktop/Laptop** (MacOS) Chrome browser (version 75 or above)
- c. **iPhone** (Mobile Device) - Safari browser (version 75 or above)
- d. **Android** (Mobile Device) - Chrome browser (version 75 or above)
- e. **Windows** (Mobile Device) - Chrome browser (version 75 or above)
- f. **MACBOOK** - Only Google Chrome (Do not use Safari Browser)

- F. Quiet, Well Lit and Clear Surroundings** - It must be ensured that your sitting is organized in such a place where there should be
- a. Quiet Room – No disturbing or unnecessary noise
 - b. Proper Lighting - Everything in the camera should be clearly visible
 - c. Clear Surroundings - Your back should face the clear wall, i.e. No object behind. In case you do not have clear wall, we suggest putting a single light color bed sheet in your background.

G. Security Instructions

- a. This is a Remote Proctored assessment; you will be asked to capture your picture and your ID Card's picture and wait for the remote approver to verify your details. Post Approval, you will be able to start the test.
- b. An Online Proctor will be monitoring your test throughout the entire duration. The proctor can Pause your test, Take Snapshot remotely and Chat with you in case of any suspicious activity. The online examination system bears Artificial Intelligence (AI) features which will be continuously monitoring the students during the entire duration of examination. It will continuously view your Live Video, your Images, and the Screens of your Laptop/ Desktop / Mobile Device.
- c. Using your webcam, there will be images captured at random intervals during the test. Anyone using unfair means will be disqualified. **Be aware that during the test your pictures will be clicked and will be saved on server.**
- d. Do not navigate from the test window. The test will get auto-submitted after maximum number of navigations.
- e. **Use of Headphone / Earphone is strictly prohibited in the test.** Please ensure that you are seated alone in a room for taking the examinations.
- f. Also, ensure that you are seated in a well illuminated area for taking the examination.

H. General Instructions

- i. In case of complete Internet failure, submission will not be possible & the test will have to be rescheduled. In case of temporary internet outage please wait for some time and try to re-submit the test.
- ii. If internet speed is unreasonably slow, images and tables in the question may take little longer to appear.
- iii. This is an assessment consisting of MCQs.
- iv. You can use pen paper for any calculation purpose.
- v. You can go back to the previous questions using the Previous button on screen.
- vi. Click on the Next button to move to the next question.
- vii. You can view instructions of the test again in between the test by clicking on “View Instructions” option.
- viii. Please make sure that your Laptop is fully charged before appearing for the examination as a measure against unexpected power outages.

- ix. Please make sure you make the final submission only after completing the examination. You will be asked to confirm in case you accidentally try submitting the examination before the completion of the duration. Please note that once you make the final submission, you will not be able to take up the examination again.
- x. The test will be auto submitted after the given time duration. You will not get extra time to attempt the test.

I. In case you are facing any technical issues during the examination, please reach out to below Support team members over phone. You can drop a mail to Support Mail ID: proctoredtest@fiitjee.com or call at **9513745203**
